

REMARKS

In the Office Action dated October 5, 2005, typographical errors were noted in claims 4, 7 and 14. Claim 14 has been amended to correct the informality, and Applicant noted the same informality in claim 13, which also has been corrected.

Claims 1-7 were rejected under 35 U.S.C. §112, first paragraph as lacking enablement. Claims 8-13 were allowed, and claim 14 was stated to be allowable if amended to overcome the aforementioned informality.

Applicant does not agree with the Examiner's conclusion regarding the alleged lack of enablement of claims 1-7, however, in view of the allowability of claims 8-14, claims 1-7 have been cancelled to permit the application to be passed to issue with claims 8-14.

The application is therefore submitted to be in condition for allowance, and early reconsideration of the application is respectfully requested.
